

CONFIRMED SPEAKER

Mr James STEWART

October 2, 2017 - Jakarta, Indonesia

As Chairman of KPMG's Global Infrastructure practice, James has visited nearly 60 countries to discuss their infrastructure investment plans and major projects. Prior to joining KPMG, James was based in the Treasury as the CEO at Infrastructure UK (IUK). James' role at IUK included advising Ministers on policy issues relating to the infrastructure sector and the private finance initiative (PFI) and public-private partnership (PPP) market as well as publication of the first UK National Infrastructure Plan.
